HOW YOUR SUPPORT MAKES A DIFFERENCE

When we **Go Blue To End Bullying**, we're making a difference by sparking important conversations - and speaking up for those who can't - because we know bullying devastates lives, families, and communities.

Every dollar you give helps Dolly's Dream provide the support, guidance and education to young people and their families need so they don't have to face bullying alone.

\$32

Help keep the Dolly's Dream Bullying Support Line running, with qualified counsellors available for young people and families who need someone to talk to.

\$68

Help provide free information and expert guidance, giving them the tools to protect their children from bullying and online harm.

\$105

Help deliver bullying prevention education in schools, creating safer, more supportive environments for young people.

\$200

Help keep our specialist school facilitators on the road, reaching the most remote and isolated schools, ensuring no young person has to face bullying alone.

Your support helps us continue Dolly Everett's legacy of kindness and hope, empowering young people, families, and communities to build a world free from bullying.
