

Raffle Tickets

Instructions:

1. Set your ticket price: Write the cost of each raffle ticket in the space provided.
2. Get your tickets ready: Cut your raffle tickets out along the dotted lines, leaving the two sides of each ticket together for now.
3. Sell your tickets: When someone buys a ticket, write their name and phone number on the left side. Hand them the right side and remind them to keep it safe until the raffle is drawn.
4. Time to draw the winner! Pop all the left sides of the tickets into a bucket, hat, or box. Give it a good shake, then pull out a winner at random.
